JUSTIFICATION:

In 2012, the Board of Game authorized an antlerless moose registration hunt in this portion of Game Management Unit 20B to run from October 15 through February 28, unless closed by Emergency Order. We set a quota of approximately 100–120 antlerless moose for the 2012–2013 winter hunt (RM785). We expect the harvest to meet this quota by January 4, 2013 and no further harvest is warranted.
